

Every manufacturer or store coupon presented must also match the product that is being purchased.

Using a store coupon in conjunction with a manufacturer coupon on any one specific or group of items is prohibited.

WE **DO NOT** honor multiple coupons on single items.
(ie. One box of cereal cannot have more than one coupon.)

We have a LIMIT of 10 IDENTICAL coupons to be redeemed in a single transaction.

We do not accept other store specific coupons.
(ie. Kroger, Wal Mart, Target, etc.)

We honor coupons within the date stated on the coupon.
We apologize for not accepting out-dated coupons.

Coupons for FREE products will be given credit for the retails we have on that product. No cash back. We cannot exceed the maximum value, nor can we give credit at the maximum if the product sells for less at our establishment.
